### **Annual Meeting of Shareholders**

This year again, 5N Plus will hold its annual general meeting in a virtual only format, which will be conducted via live webcast at <https://meetnow.global/M7T7P6Y> on May 5, 2022 at 10:00 a.m. (Eastern Daylight Time).

### **About 5N Plus Inc.**

5N Plus is a leading global producer of specialty semiconductors and performance materials. The Company’s ultra-pure materials often form the core element of its customer products. These customers rely on 5N Plus’s products to enable performance and sustainability in their own products. 5N Plus deploys a range of proprietary and proven technologies to develop and manufacture its products. The Company’s products enable various applications in a number of key industries including renewable energy, security, space, pharmaceutical, medical imaging, and industrial and additive manufacturing. Headquartered in Montreal, Québec, 5N Plus operates R&D, manufacturing and commercial centres in strategically located facilities around the world including Europe, North America and Asia. The Company’s mission is to be critical to its customers, valued by its employees and trusted by its shareholders. The Company’s core values focus on integrity, commitment and customer development along with emphasis on sustainable development, continuous improvement, health and safety.
